

BIRTHDAY PARTIES

Thank you for choosing Trivium Games for your party!

Birthdays at Trivium are great for kids 10 and up. We can tailor the support needed depending on the ability of the players. Generally, kids 12 and up can drive most of the action. At least one adult chaperone is required with children under age 18. For children under 12, we recommend an additional chaperone for parties with more than 6 children. Booking fees are waived for up to two chaperone(s) when booking a party for 6 or more children.

The base cost for the escape room is \$285 which covers up to 4 players. Additional players can be added for \$30 each up to 10. For all birthdays, a special birthday message is left in the lobby to greet the guest of honor when they arrive, and a complimentary card and commemorative pin are hidden in the room to be found during the game.
